VAMPIRE BREAST LIFT.....\$1,900.00

Featured by *Cosmopolitan*, the new secret “must have” in Hollywood is the Vampire Breast Lift procedure which uses blood-derived growth factors to revive rounder cleavage without implants. Women can now also soften implant scars and irregularities (and restore sensation). Using technology used by plastic surgeons for years to help correct post-mastectomy scarring and to heal wounds, the Vampire Breast Lift procedure uses a woman’s own blood to improve appearance. Designed for zero downtime by Charles Runels, MD - the same physician who invented the Vampire Facelift.
